

Mayor's Message

By Mayor Bob Woodruff

- The exchange of the Township Library for the little Flower Hamilton Avenue property is complete. Closing occurred on Thursday Dec. 21, 2017. Thank you to all who participated in this process. The Township will shortly be formulating Request for Proposals for distribution to prospective developers regards the Hamilton Property. We are hopeful that this project will significantly help us offset costs associated with our new municipal building
- Our library will continue to operate on a temporary basis from the Rectory located on the Hamilton property. Librarian Stephanie Bakos and staff and municipal employees are working hard with the hopes of opening that site within short order. We appreciate the citizen's patience on this issue. This is a minor inconvenience while we await the construction of a new state of the art library facility.
- Township Council meetings are subject to the Open Public Meetings Act ("Sunshine Law"), N.J.S.A. 10:4-6 et. seq. Our Township operates under the Mayor-Council-Administrator form of government under the Faulkner Act.
